

## Papperlapapp

*(Bob Anderson)*

There's a place I know not far away,  
I really like to go,  
They welcome you with open arms,  
A home away from home,  
My friends are all there with me,  
They make me feel just grand,  
And even when it's time to go,  
They're still there close at hand.

Papa, Papa, Papperlapapp, y'all!  
The place where they say you're put on the map now,  
The school's no fool – if they know the rule,  
You tell them the name and they know that you're cool,  
A way of life, game, set and match,  
You're on the right track, the best of the batch,  
That's all for now, but before I go,  
When you hear the name, be proud to say Yo!

## Kartoffel-Meyer *(Bob Anderson)*

Beim Fußball war ich Torwart,  
Nicht einer kam vorbei,  
Mein Team war klar das Beste,  
Gleich hatten wir Tor drei!  
Dann passierte etwas  
Das ich nicht glauben wollt´:  
Wir fingen an, zu träumen  
Und wir wurden überrollt!

Oh, sieben-sieben unentschieden,  
Wie konnte das passieren?  
Gerade vorn und schon am fliegen,  
Sind wir schnell doch abgestiegen!

Aus drei Chancen wurden Tore,  
Die Gegner neugebor´n,  
Dann sagte mir der Matti:  
„Ihr habt jetzt doch verlor´n!“  
Fehler folgten Fehler,  
Wandel gab es kein´,  
Da tauchte ich ganz vorne auf  
Und schoss den Ball noch ´rein!

Oh, sieben-sieben unentschieden,  
Wie konnte das passieren?  
Gerade sind wir abgestiegen,  
Aber doch am Ball geblieben!

Wir wurden jetzt nervöser,  
Bald mussten wir nach Haus´,  
Jeder gab´ jetzt alles  
Ganz kurz vor dem Aus!  
Am Schluß blieb´s unentschieden,  
War leider nichts mehr drin,  
Doch nächstes Mal beim Fußball  
Werden wir gewinn´!

Oh, sieben-sieben unentschieden,  
Wie konnte das passieren?  
Wären wir gleich am Ball geblieben  
Hätt´s das Spiel schon längst entschieden!

Sieben-sieben unentschieden,  
Wären wir gleich am Ball geblieben  
Hätt´s das Spiel schon längst entschieden!

## Chocolate Lips

*(Bob Anderson)*

Chocolate lips, chocolate lips,  
A beard that's smeared from candy trips,  
Muffin, cakes or ice-cream whips,  
Sticky, licky chocolate lips!

Breakfast in the morning, have a roll or three,  
Mama's having coffee and Papa's sipping tea,  
But there's a spread so smooth and fine just sitting there for  
me,  
And after one big bite, its trace is plain to see...

Lying in my bed, the room all bathed in red,  
The only noise that could be heard was the scheming in my  
head!  
When Mama came to say goodnight, her laugh peeled round  
the yard,  
Quite unseen a secret treat had left its calling card!

Here's what to do when chocolate's through at the party's  
end:  
Just fill my hand with something grand, a sticky friend!

## Phantom Kisser

*(Bob Anderson)*

I am the Phantom Kisser,  
I´m the all-time great permissor  
And I´m the friend of every girl and boy.  
They think that I´m fantastic.  
`Cause my lips are like elastic,  
Spouting, touting, pouting love and joy!

Get up off your seat, seat, seat,  
And get on your feet, feet, feet,  
Greet those you meet, meet, meet,  
Kiss and tell!

I am the Phantom Kisser,  
I´m the all-time reminiscer,  
`Cause I remember hugging was a ploy:  
To muddle those just leaving,  
Ended in achieving  
The ultimate in sharing love and joy!

To be a Phantom Kisser,  
When blown a kiss, say, yes, sir!  
`Cause there´s no need to carry on so coy,  
Next time you´re feeling rotten,  
There´s something you´ve forgotten,  
And that´s to spread the act of love and joy!

## Cosy

*(Bob Anderson)*

Got a postcard today from the postman,  
Said you just couldn't wait to be here,  
Well those films that you love await you sure enough,  
You say clearly and so dearly:

Your place is cosy, cosy, cosy,  
Cosy, cosy, cosy,  
Like no other place around.  
It intrigues, it can please  
And I feel there right at ease,  
Your place is the cosiest in town.

You say the builders were busy,  
They've got the house there looking fine,  
The balcony here will soon bring us cheer,  
In week thirty is when it's ready.

Here we are now together,  
The sun shining through the blind,  
The time's always short, but we know just what we've got,  
We're as snug now as a bug now!

## Wean! Wean!

*(Bob Anderson)*

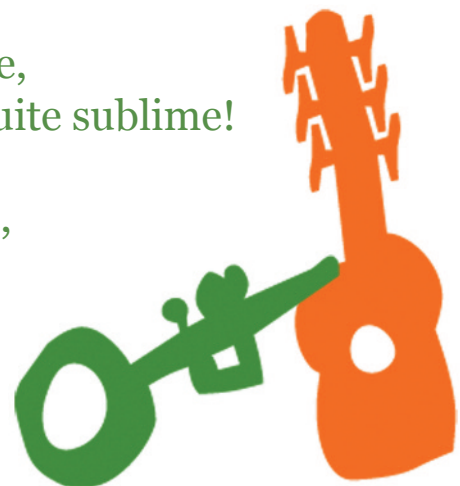

Shopping in the city is a happy time,  
Pushing round the trolley: "Ich kann das ganz allein!"  
Run around having fun, fun, fun,  
Till the shopping's done, done, done,  
To the cash desk with great haste,  
Bring the trolley back to base!

Wean! Wean! Do it again,  
Climb down the ladder, run up the lane,  
Wean! Wean! Do it again,  
You got the brawn and you got the brain!

Cycling in the city is a happy time,  
Armed with only speedy legs and a helmet that fits fine!  
Turning corners is fun, fun, fun,  
Taking kerbs at a run, run, run,  
Looking round to check it's safe,  
Cross the street with rapid haste!

Just you carry on, your drive's what makes you strong,  
The world's right at your feet, get on board and take your  
seat!

Wand'ring round the city is a happy time,  
With people all around you and places quite sublime!  
Holding hands is fun, fun, fun,  
Playing in the doorway's second to none,  
Go to Pizza Man's for tea,  
Climb the counter: "Chips for me!"

## Rotkehlchen

*(Bob Anderson)*

Das Rotkehlchen aus Rodenkirchen  
Entschied sein Geburtstag zu feiern,  
Es lud seine Freunde ein zum Hafen um fünf am Rhein,  
Es war ein lustiger Tag.

Als erster kam Igel aus Igelwald,  
Brachte sein Fußball zum Spielen,  
Das Spiel fand doch nicht statt, der Ball war ziemlich platt,  
Es war ein stacheliger Tag.

Als Ente aus Ententeich eintraf,  
Es fing kurz an zu regnen,  
Dem Host gab sie keinen Gruß, ging schwimmen in dem Fluss,  
Es war ein nasser Tag.

Der Maikäfer aus Schloss Marienburg  
Hat keine Lust zu fliegen,  
Der Käfer parkt vor der Tür fuhr ihn in aller Ruh´,  
Es war ein gemütlicher Tag.

## Come together

*(Bob Anderson)*

The birthday party's ended,  
No more cakes or pies,  
Those that I've befriended  
Have said their last goodbyes.  
Until the next time,  
When we meet again,  
I won't forget the time we've spent,  
I'm proud to call you friends.

Come together – want you to stay,  
Come together – right here and play,  
Come together – hey, wasn't today so cool for you and  
me?

Why can't it be your birthday  
Every single day?  
Then I'd know tomorrow  
You'd all be back to play!  
Maybe next time  
And it's a wish of mine,  
The party will be at your house  
And I'll be there in line!

Come together – want you to stay,  
Come together – right here and play,  
Come together – hey, wasn't today so cool for you and  
me?
